Rockasorri

The Rockasorri Music Enrichment program will bring joy and music education to your school! Our program will have your students singing, moving, and making music. Rockasorri applies Montessori Principles to early childhood music programming. There are many benefits to early childhood music education. Our goal is to inspire and create a love for learning music in our young children. We do not want to entertain children. We want to teach children that the music comes from within their soul. In other words...they are the music.
